SHUMAKER PUBLIC SERVICE CORPORATION WINS SAFETY AWARD

Hot Springs, Ark. –Shumaker Public Service Corporation, is this year’s recipient of the Arkansas Water Environment Association Safety Award for Cities with Populations Less than 20,000. The award was presented at the annual Arkansas Water Works & Water Environment Association (AWW&WEA) Conference in Hot Springs on May 1.

The award acknowledges utilities that have shown excellence in improving or increasing the awareness of safety.

Shumaker Public Service Corporation was selected for the award based on a record of continually striving for excellence in safety through such activities as a 100 percent employee participation in first aid training, CPR/AED training, and confined space entry training. Shumaker Corp. also conducts safety meetings on a daily and weekly basis and has been accident-free with no lost time for six years.
