Hot Springs, Ark. – Stacy Carpenter, Laboratory Supervisor for Pine Bluff Wastewater Utility, was selected as the Arkansas Water Environment Association's Pretreatment Professional of the Year. The award was presented at the annual Arkansas Water Works & Water Environment Association (AWW&WEA) Conference in Hot Springs on May 1.

The award acknowledges a pretreatment professional in an industry or utility who has demonstrated outstanding professionalism and performance and has made significant contributions to the pretreatment profession.

Carpenter has been a pretreatment professional for 19 years and a Class IV Wastewater Treatment Operator since 2008. Carpenter is responsible for coordinating the utility's field staff and conduction inspections of industrial users.
