Hot Springs, Ark. – Zachary Crumpler, communications specialist for Little Rock Wastewater, accepts the Arkansas Water Environment Association Young Professional of the Year Award. The award was presented at the annual Arkansas Water Works & Water Environment Association (AWW&WEA) Conference in Hot Springs on May 1.

The award acknowledges young professionals who demonstrate outstanding professionalism and performance in the wastewater industry.

Crumpler was selected for the award based on his demonstrated leadership with coworkers and within state professional organizations. In addition, he earned his Bachelor of Science in Electronic Communications while working full time for Little Rock Wastewater and while serving on the publicity committee.
